CHILDREN in the Botwell Choir sang for people at Childs Court, Hemmen Lane, Hayes, last week.

Childs Court offers sheltered living accommodation for the over-55s. A group meets once a week for light refreshments, board games and bingo.

The choir sang for around 12-18 people and brought some festive cheer with their carol singing.

Residents gave all the children a Christmas card as a thank-you.

One user was particularly taken by the visit as her children and grandchildren had attended Botwell Primary School.
